

2011-2012 SCHOOL HEALTH REQUIREMENTS

Kindergarten:

- Entry KY Physical - done within 1 year prior to KG entry
- An up to date immunization certificate
- Eye exam from an optometrist
- Dental Exam: Forms are available at the schools, health dept., dentists' offices, or the web site.

6th Grade:

- 6th grade physical – done within 1 year prior to 6th grade entry
- Tdap (Tetanus Booster) – Given on or after the child's 11th birthday. If the child is not 11 at 6th grade entry, they may enter school and obtain the required immunizations after their birthday.
- Menactra (meningococcal vaccine)
- #2 Varicella (chicken pox) booster

Recommended, but not required for 6th grade entry: HPV vaccination for girls only

TRANSFER STUDENTS (OUT OF STATE):

- Transfer physical (done within 1 year prior to transfer, preferably on a KY Physical Form).
- Up to date immunization certificate
- Eye Exam: We will accept a previous out of state optometrist exam

Sports Physicals: All Middle and High School students participating in school sponsored sports activities must have a yearly sports physical. (Forms may be downloaded at the KHSAA or school website.) *Currently, these are offered free of charge to students during spring/summer months.*

Please contact your child's school, school nurses, Marshall County Board of Education, or the Marshall County Health Department for further information regarding health requirements.
