SCHOOL BASED DECISION MAKING COUNCIL  
BUILDING POLICY  
KRS 160.345(2)(g)**

POLICY TOPIC: Determining student support services for the school

By May 1 of each year, the principal shall prepare a plan for all areas of student services currently offered to students enrolled at Marshall County High School. The principal shall present the plan to the school council for approval by June 1. Additions or amendments to the student services plan shall be reported at each subsequent school council meeting for the month in which one occurs. The student services plan should include a time line and method for referring students for services offered.
