COMPUTER APPLICATIONS GRADUATION REQUIREMENT

Policy Topic: Computer Applications Graduation Requirement

Policy Intent: To allow students to take "CLEP" like test if they wish to by-pass the Computer Applications class requirement.

1. The CLEP like test will be administered only at Marshall County High School. Students who wish to take the test must take it prior to entering the ninth grade.
2. Those who take and pass the test will not have to take the required Computer Applications class, and will not receive credit toward meeting graduation requirements.
3. Students who fail the test, or elect not to take the test prior to entering the ninth grade must take the required Computer Applications class during their ninth or tenth grade years.
