Field Trip Academic Eligibility Policy for Marshall County High School

Any student who is on the academic ineligibility list cannot miss school to attend a field trip. The only exception will be a class field trip that will not require the student to miss parts of any other class on the student's schedule.

Adopted May 12, 2009

"The mission of Marshall County High School is to provide all students with a supportive learning environment in which they are challenged to reach their personal best."
