Field Trip, Club, and Extracurricular Student Attendance Policy for Marshall County High School

Any student who accumulates a total of nine unexcused absences for the school year will be banned from attending any field trips, club trips, or from participating in any extracurricular school or athletic event. The student will lose his eligibility for one calendar year from the date of the ninth unexcused absence.

Adopted January 12, 2010

"The mission of Marshall County High School is to provide all students with a supportive learning environment in which they are challenged to reach their personal best."
