

MARSHALL COUNTY SCHOOLS

MARSHALL COUNTY BOARD OF EDUCATION

To: Parents/Guardians of Marshall County Public School Student

The Marshall County School System is proud to recognize student achievement throughout the school year. A variety of media may be used including electronic and print, (i.e. school annual, newspaper, school web pages). We would like to include your child's name and/or picture whenever possible when he/she is involved in certain events and accomplishments. According to the Kentucky Department of Education guidelines, personal information such as address and telephone number will not be publicized--i.e., the school name -and child's name and grade only. Students love to be publicly recognized and the school system wants the media to report on positive things going on in our great school system. Unless we hear otherwise from you as a parent or guardian, we plan to include your child in a variety of media as outlined above when appropriate.

If you do not want your child to be included in any/all of the above for public recognition, you must send a letter with your request to the school principal by September ~~8, 2015~~9, 2016.

Thank you and we look forward to a productive school year!

Sincerely,

Trent Lovett, Superintendent
