TRANSPORTATION CODES

Each year we are required to audit our transportation codes for all students to be sure that our information is correct. Please place a checkmark beside the correct mode of transportation for your child and send the form back to school. **Even if your child rides the bus only a few days per year, please check that he/she is a bus rider and select the appropriate bus option for him or her.** We must plan for each bus route by using the maximum number that may be on the bus.

STUDENT NAME: _____ GRADE: _____
