

Hello everyone! Welcome back for another fun-filled year at Sharpe! For those of you who don't know me, my name is Amy Bevil and this is my third year as School Counselor here at Sharpe. I grew up in Marshall County, and I taught at Sharpe for 13 years before becoming the counselor. My husband Tony and I have three beautiful little girls – Meg is in 8th grade at NMMS, Abby is in 7th grade, and Miss AJ just turned 3! They have added an indescribable amount of joy to our lives! I have a Master's degree in Reading and Writing, Rank I certification in School Counseling, and IIA Endorsement for Evaluation. I enjoy reading, music, running, watching my girls play sports, and spending time with my family.

So what is the role of a school counselor? I am here to serve as an advocate for students and to ensure that their needs are being met. I will assist students in being successful in all aspects – academically, socially, emotionally, behaviorally. I will work with all students as I visit classrooms bi-weekly for guidance lessons. I will work with some students in group or individual counseling as needed. I will assist parents in understanding the needs of the child and will communicate with parents regarding academic or behavioral progress. I am also here to provide parents with resources both inside and outside of school to help ensure success for the child.

If I can ever be of assistance to you, please don't hesitate to call or e-mail me! My door is open and I'm here to help your child be his/her best! Have a great year!

☺ Mrs. Amy Bevil
